

*27th Annual
Bass Conference
Madison, Wisconsin*

April 15-16, 2022
RichardDavisFoundation.org

Location. The 2022 conference will be held in the Pyle Center, at 702 Langdon Street. At the center of the UW Campus, near the Memorial Student Union on Lake Mendota, and within walking distance of State Street and the Capitol, this is the primary venue for most of the events.

Time. The conference runs 9:00 a.m.-- 9:00 p.m. Friday, and 9:00 a.m.-- 9:30 p.m. Saturday.

Cost for Student. Tuition for the 2-day conference is \$250 per student. This tuition fee covers expenses related to music, clinicians, media rentals, accompanist(s) and the venue. Meals and hotel rooms are **not** included in this cost.

Family Members. Parents/guardians are expected to be on the premises for the duration of the conference for all young bassists under age 17. Family members/guardians accompanying young bassists are encouraged to attend sessions.

Meals. Clinicians, volunteers, families & young bassists are all encouraged to attend meals together. It is a great time to get to know each other in an informal setting. We've found that families have a more enjoyable time when they are not hunting for meals while trying to be a part of a very full schedule. Conference related meals are lunch and dinner, on Friday and Saturday at the Pyle Center, where classes are held. Breakfast is not included in this fee. Meals for students, siblings, and parents are available at the \$65.00 rate each. Serious dietary accommodations can be made, with advanced notification.

Housing. A room block is reserved at the [DoubleTree Downtown](#), on W. Johnson St., a short walk away from the Pyle Center. **The room block/rate will only be guaranteed through April 1.** Reservations should use the code "RDB" for group rate. [Reservations can be made online](#) or by phone, at: 608-251-5511. Alternative accommodations (such as a home-stay) may be available given ample notification (must be before April 1).

The goal of the Richard Davis Foundation for Young Bassists, Inc. is to provide a unique learning environment for young bassists. Year after year, we are deeply impressed by the enthusiastic cooperation and musical development of our young bassist participants. Indeed, the expectation is that young bassists will participate fully and will comport themselves safely and cooperatively. In addition, the expectation is that for young bassist participants under age 17, a parent or guardian will remain on the premises of the hosting facility for the entire conference and assume full responsibility for the safety of young bassist conference participants. I agree to remain on the premises.
